

# 15th Annual EDULOG Conference

Thanks to your suggested improvements, we have expanded our classes to offer more courses than ever. Our advanced technical classes have returned this year and we have further refined our Beginner and Intermediate courses to ensure more people have the opportunity to become proficient in the EDULOG software.

This is why so many transportation professionals come to the EDULOG National Conference! Our technical breakout sessions are unsurpassed in content quality, hands-on experience, and access to the experts that build the technology. Choose from more than 100 in-depth technical sessions designed to stretch your minds and improve your skill set and gain real-world skills that will make you better at your job.

The 5th Student Transportation Leaders Conference (STLC) provides decision-makers the opportunity to gain valuable insights from peers and colleagues on ways to reduce costs and improve efficiencies. There are many other new offerings and exciting changes for 2010, we can't wait to experience this great industry event with you!

Do you like what you see? We thought so! Register today!
