Dear Mr. O'Dell,

I want to thank you and your staff at Edulog for allowing me the opportunity to attend the Nashville Conference this week. I truly enjoyed myself and found the conference a very rewarding experience.

The subjects presented were very informative and will be very useful in our routing efforts. The instructors of my sessions, Ken Colson and Eric Gorman, were easy to understand and thoroughly explained any questions I had. The conference reinforced my understanding of Edulog's capabilities and showed me some areas that will be helpful in our future routing and cost saving efforts.

Again, I want to thank you for this wonderful experience.

Sincerely,

Jackie Krane
