To Whom This Concerns:

I work for Petermann/Milford transportation department in Milford, Ohio. I called edulog yesterday because I needed help getting our map fixed so directions would run correctly. This was the first time I have spoken with Sandra and I want to take this opportunity to thank her for her help.

She was not only knowledgeable, but she had patience and a great disposition! She was fantastic! I was very comfortable asking questions and learned some great information from her. Sandra is a great asset to your company.
Thank you Sandra!

Sincerely,
